THE DOCTRINE OF DISCOVERY Unmasking the Domination Code

Sunday, May 3, 2020 / Time: 1:00 – 3+ pm

Online Screening via Zoom – [REGISTER HERE](#)

This hour-long film and production by First Nation Peoples examines the effects of an ancient doctrine traced to Vatican Papal Orders (Bulls) issued by Popes in the Fifteenth century which purported to grant rights to claim domination, in perpetuity, over non-Christian lands and their inhabitants.

Conversation with Steven Newcomb (Shawnee, Lenape) following the film, co-director and author of the book from which the movie was made: *Pagans in the Promised Land*.

Washington State leaders working on dismantling the Doctrine will join Steven: Jonathan Neufeld, and Deb Cruz.
